II. PUBLIC COMMENT  
Ms. Lopez suggested that the library add more secondary resources such as form books and nutshells on California Criminal Law materials, specifically on habeas corpus. She doesn't have specific titles of the publication in mind but is willing to visit the county law library in L.A. and San Diego to see what they have on the subject. Board President Michele Levine informed her that the Board is aware of the problem and is a major priority that the library is working on. Ms. Ballantine suggested to have hand sanitizers available for people who are using the public computer work stations in the library. She appreciated the addition of Eduardo to the library staff and complimented him as “performing very well and receptive of guidance.” She suggested that the library purchase an international manual/procedural book and will provide the specific title of the publication to the Director.
