An application for adjudication of a staff's claimed injury was filed with the Workers Compensation Appeals Board. State Fund is handling and defending this claim until a final conclusion is reached. Photocopies of the claimant's personnel records excluding any attorney-client privileged communications, was mailed out on September 30 in response to the subpoena duces tecum from the claimant's attorney.

The library applied for the Essential Business Support Fund from the State Compensation Insurance Fund (SCIF) and received $8,168 as reimbursement for expenses incurred and/or new safety items or services directly related to COVID-19 intervention. The $50 million relief fund was established to help policyholders to defray costs of protecting workers from coronavirus and maintaining a safe workplace.

President Levine stated that the HVAC and Electrical systems upgrade will cost $4 - $4.5 million. The plan is to keep the costs as low as possible and still be able to have new carpets, furniture, and new laptops for patrons. The board really have no choice because the HVAC and electrical system issues need to be addressed. She mentioned that George Johnson has retired and who will be taking his place is not yet known. She pointed out the importance of developing new relationships with the County and plans to have a face to face meeting with County Executive Officer and Chair of the Board of Supervisors. Perhaps have the Board Chair be more involved as in past years.
E. Registrar of Voters’ County Employee Poll Worker Program
The Board is in favor of having library staff participate in the County Employee Poll Worker Program. President Levine stated that it is great for staff to be able to volunteer as poll worker on election day and still receive their full day salary and benefits.

F. COVID-19 Illness/Exposure Reporting & Return to Work Procedure
The Board has reviewed the draft procedure and has no further questions. Victoria contacted the SEIU representative about the proposed draft and offered her the opportunity to meet and confer. As of this date, SEIU has not responded to Victoria’s email.

G. Change to CalPERS Health Benefits & Plans (PEMHCA Resolution)
Action Item: Victoria will contact the actuary to do an OPEB valuation estimate to determine how the MEC required by PEMHCA will impact OPEB liability for future retirees.

H. Acceptance of June, July, and August 2020 Financial Reports
A motion to accept the June, July, and August 2020 Financial Reports was made by Robert Dunn, seconded by Judge Jackson, affirmatively voted upon, and motion carried.
