C. Bylaws Amendment – Term of Office
D. Election of Officers
E. Board President’s Resignation
President Levine stated that with respect to the agenda items C, D and E, nothing is required to be acted on but information need to be provided to everyone. The officers of the Board do need to be elected, with term to start on February 1st. She will provide the Board with a copy of the bylaws amendments that she is drafting which will show the changes she made, what is added or subtracted from the existing bylaws, and sets the term of office of 3 and 4 years. In addition, the officers elected to the position are nominated in the January meeting and approve in the February meeting. Changes in the bylaws require 10-day notice to board members and the public. President Levine will send a copy of the changes in the bylaws weeks before the February meeting. The term of service will not start until February 1st after the trustee is appointed to serve on the Board by the Presiding Judge or the County Supervisor Chair appoints its designee and RCBA representative on the Board. These trustees will have the same terms of office.

President Levine intended to resign from the Board as of January 1st but cannot do so until the library’s HVAC & electrical construction work is completed. She talked to Judge Lucky about taking on the President position. Victoria sits as Secretary, as ex-officio and Robert Dunn sits as Vice-President. She thanked Bob for his many years of service on the Board. She suggested having a financial member on the Board and left it as a discussion item for the Board. She said that it is an honor for her to serve as President. She also thinks that not being an active member of the bench either as a retired judge or as a sitting judge has lessened her effectiveness. The President position needs to be filled by someone who is an active member of the Bench, who has the legal knowledge, knows what the rule of law means, and
able to effectively impart that knowledge in our community. A number of people in the community needs help with understanding the law and the library can be effectively used as an institution of learning. The staff has done good work through social media highlighting resources and programs that help people’s understanding of the laws such as one on voting. She knows that Judge Lucky is more than capable to go forward as President. He is smart, knowledgeable, active in the community, and will do great as Board President. President Levine thanked everyone on the Board with whom she had the pleasure to work with and had the honor to work shoulder to shoulder with, virtually.

She thanked John who started as library’s counsel and when he inquired about serving on the Board, the Board quickly jumped on the opportunity to have him on the Board and he has been invaluable in terms of his expertise and guidance with the library’s property and its management. She thanked immensely Joseph Peter Myers who has been a great mentor to her. She thanked Robert Dunn who has been a great soldier, a leader who made sure the programs of the library are well-received, and whom she has the privilege to know as a friend and colleague.

Judge Lucky stated that he feels remarkably unworthy and hopes that he can live up to the build-up from Michele. Judge Levine asked that if anyone wants to serve on the Board as President or Vice President, to let it be known and she will set the start and end date of their term of office. She sits on behalf of Judge McLaughlin whom she will not ask to serve which will open a spot on the Board. She suggests that someone in the eastern end or mid-County to fill that seat. Robert Dunn is sitting on behalf of Judge Hopp and that continues.

President Levine nominates Judge Lucky as Board President and Judge Lucky accepts the nomination. Robert Dunn is designee on the Board. He stated that he will be glad to assist whoever needs a designee. He will continue as VP.

Judge Lucky communicated with Judge Klatcho and asked whether she would be interested to serve on the Board. Judge Klatcho responded affirmatively and accepted her nomination to serve on the Board. When Robert Dunn is ready to step down, a judge in Southwest can be brought in to serve on the Board.

January 2021 Revised Library Budget: The filing fee income amount was adjusted from 1.8 million to 2.3 million which included the $640k, the amount the library received in September as its allocated portion of the 1.7 million State supplemental fund for county law libraries.

HVAC & Power Upgrade Progress Report:
100% Construction drawings and plan was officially submitted to City of Riverside on December 22. The Building Committee met with the project manager and IMEG team of engineers on Thursday, January. 7.

President Levine shared with the Board the discussions from the meeting, including a big amount associated with the cost of dismantling a massive steel framing to put in a new heating pipe which was not in the original budget. IMEG was instructed to get a cost estimate, if the cost is within budget, it will proceed otherwise it will go with the alternate option discussed at the meeting. She asked Judge Lucky about the services in the Self-Help Center and when they will be back in the building. The work will take 2 to 3 months to get done. It will not be too disruptive because the tenants will be out of the building until summertime. The work can be done while the building is closed. New electrical sockets and new wiring will be provided which will be necessary should new lighting is added.
