The Vital Law search structure and enriched content organizes legal information topically, putting content in context so you can quickly understand and advise on today's most complex matters.

Fastcase.com is the leading next-generation legal research service that puts a comprehensive national law library and powerful searching, sorting, and data visualization tools at your fingertips. Access cases, statutes, regulations, court rules, constitutions, and a variety of other primary law documents for all 50 states.

EBSCOhost is the world's most-used reference resource. Our subscription includes digital versions of NOLO Press items including forms on a wide range of legal topics accessible in the library or remotely.

HeinOnline is the world's largest image-based legal research collection and contains more than nine centuries of legal history. All content is image-based in PDF format just as they appear in the original print copy thus preserving the authenticity of the hard copy in a digital environment.
