Riverside County Law Library does not provide legal advice: RCLL provides legal resources and assistance with legal research as an educational service. RCLL is pleased to offer our patrons the opportunity to obtain assistance from third party legal service providers at this or other events within the library. This program is a public service designed to provide general legal guidance and information and that none of the volunteer attorneys from the Inland Empire Latino Lawyers Association present will represent you or become your attorney regarding any specific matter you discuss with them.
